Activities Arranged independently from the riad.

Riad Slitine once belonged to a prominent local family, and still retains much of its original architecture, dating back to the 17th and 18th centuries. The original decor has been nicely complemented with additional contemporary design features.

The riad comprises just 8 elegant double rooms, which makes for a wonderfully intimate feel. Each room also has an en-suite bathroom, decked in marbled or gilded trim.

Other features in the riad include: 2 sunny courtyards, a heated pool (with marble-fountain and counter-current facility), jacuzzi, hammam, spa treatment rooms, dining room, spacious lounge and an excellent terrace, with viewing-tower and sun-deck.
