Activities

Safaris to the Mosi-oa-Tunya National Park or Chobe National Park (Botswana), elephant-back safari, helicopter flights, canoeing, fishing, sunset cruises, rafting, bungee jumping, jet boating and abseiling.

Bordering the Mosi-Oa-Tunya National Park, with a view over the spray of the Victoria Falls in the distance, the exclusive Stanley Safari Lodgewill take you back to the Africa of the 1920's.

Set on a hill overlooking unspoilt bush, only 3 km from the river and the Victoria Falls, Stanley Safari Lodge offers outstanding personalised service. Guests stay in one of ten private cottages, all with views of the spray of the Falls. Each cottage has a different theme, and Stanley Safari Lodge offers half-open cottages with a truly African feel and colonial open or closed suites with private plunge pools.

Guests can enjoy sundowners in the African style lounge or European-style cuisine with an African twist in the dining room or spend some quiet time in the library or upper deck. They can dine outdoors under the stars, in the privacy of their suite, in the wine cellar or even in the infinity pool.

Stanley Safari Lodge makes an unforgettable base from which to explore the Zambezi River, Victoria Falls and the Mosi-Oa-Tunya National Park. And the game viewing begins on-site, as elephants and other game frequently visit the nearby waterhole.
