Located next door to the Saadian Tombs and just ten minutes walk from the centre of Marrakech, La Sultana is a member of the 'Great Hotels of the World' group and provides a luxurious retreat within the walled city.

La Sultana is a luxury boutique hotel. It is a traditional Moroccan riad with the guest rooms and suites built around four central courtyards. Each of the 28 rooms is individual in decor. All have an ensuite marble bathroom with bath and shower. Although traditional in design, the rooms boast modern amenities such as TV, DVD and CD players, air conditioning, telephone and internet access. The rooms also have a complimentary non-alcoholic minibar.

The largest courtyard houses a swimming pool, while the extensive roof terrace provides many hidden nooks where guests can relax and enjoy the views. Meals can be taken on these terraces in the open air, around the pool or in the courtyards. The restaurant is open for dinner each evening. The lounge bar provides a range of drinks and tapas.

The Prestige Spa

La Sultana offers an extremely well equipped spa, in an atmospheric setting under vaulted arches. It has 2 hammams - the Moroccan hammam combines steam baths, massage and waterbaths for a refreshing experience. Other spa facilities include a marble jacuzzi, solarium, sauna, special showers with directional jets and steam baths. There is also a beauty centre and hairdresser. Guests can relax in the lounge over a glass of mint tea before, after and between treatments. A wide range of treatments is offered in this relaxing setting, including body wraps, hydrotherapy, aromatherapy, massages and seaweed treatments. There are also special treatments for men. The spa uses natural oils and botanical extracts. The beauty

centre provides facials, manicures and pedicures.

The staff at La Sultana are very friendly, and speak good English.
