

Windsor Lake Victoria Hotel

Highlights	<ul style="list-style-type: none">• Elegant, colonial-style hotel set in 9 acres of gardens, next to the botanical gardens and with views of Lake Victoria.• All rooms are en-suite and have air conditioning.• Restaurant serving international cuisine. Swimming pool and bar.
Situation	Located next to the botanical gardens in Entebbe, Uganda.
Activities	Swimming pool, relaxing in the 9 acres of hotel gardens.

Windsor Lake Victoria Hotel is a classic old colonial-style property. It enjoys panoramic views over Lake Victoria and is well located next to the Entebbe Botanical Gardens. It is also conveniently sited for Entebbe International Airport.

The hotel rooms are located on 2 floors, situated in a quadrant set around a ventral garden with some facing the lake. All rooms are en-suite, have air conditioning and satellite television.

There is a dining area with an outside terrace, two bars and a breakfast room. The swimming pool has its own bar and restaurant area. Meals include European style food, Indian and Chinese dishes, all of which can be enjoyed in a quiet and relaxing atmosphere. The hotel also has a health club. The hotel is set in lovely tropical gardens of some 9 acres, complete with palm trees.
