

Red Mangrove Aventura Lodge

Highlights	<ul style="list-style-type: none">● Peaceful location on the edge of town● Sushi restaurant● Range of activities offered● Outdoor jacuzzi overlooking bay
Situation	Between Puerto Ayora and the Charles Darwin Research Centre on Santa Cruz Island.
Activities	Island day trips; jeep tours; hiking; horseback riding; mountain biking; scuba diving; kayaking; surfing.

Situated in a grove of red mangroves on the edge of the ocean, Red Mangrove Aventura Lodge is in a peaceful location, yet is only a short walk from the Charles Darwin Research Centre and downtown Puerto Ayora.

The lodge has a small outdoor jacuzzi and opens onto a private bay for a relaxing dip in the ocean. The lodge provides 14 rooms, most with ocean views, all with private bathrooms, aircon and cable TV. There is a seaside restaurant with choice of Japanese or Galapagos fusion cuisine.

A variety of activities including tours of the island by jeep, horseback or mountain bikes and heading out to sea for kayaking, snorkelling, scuba diving or surfing can be arranged during your stay.

The lodge is currently going through a process of certification for sustainable management.
