- Bushman culture.
- Vast endless landscapes and fossil sites.

Situation

Makgadikgadi Pans, Kalahari Desert

Activities

Game drives; night drives; guided game and bird walks; quad biking; fly camping

Jack's Camp is located deep on the Kalahari Desert at the edge of the Makgadikgadi Pans, the largest salt pans in the world. Accommodation is in spacious tents, all with ensuite bathroom. Guest facilities include a dining tent and a separate tea tent furnished with comfortable cushions where guests can relax. Jack's Camp has been voted one of the Top 20 Leisure Hotels in 2009 Conde Nast UK Travellers Reader's Awards, as testament to the quality of the accommodation and the stunning setting of this camp.

Activities include game viewing in 4x4 vehicles specially adapted to the unique terrain, night drives and guided bush walks. Special species of wildlife that can be found in this area include Meerkats and Brown Hyena and at certain times of year the incredible spectacle of the zebra migration passes through.
