

Safari Beach Lodge

Highlights	<ul style="list-style-type: none">● Beautiful lake side rooms in a quiet location● Ideally placed for visiting Senga Bay and surrounding lake shore● Visit local fishing villages and craft markets● Boat trips and snorkel trips
Situation	Senga Bay Forest Reserve near Salima, Lake Malawi.
Activities	Snorkelling, canoeing, walking, boat trips, relaxing on the lake.

Safari Beach Lodge is set in 10 hectares of gardens and bush in the Senga Bay Forest Reserve on Lake Malawi. The property is just over an hours drive from Lilongwe and ideal for those wanting a relaxing location not far from the capital.

Senga Bay is a busy small town centred around the fishing communities on the lake and has a few shops and banks and a great craft market nearby. The lake at Salima can be accessed through Senga Bay but the Safari Beach Lodge offers a much quieter and more private location to stay on the lake shore.

There are four standard en-suite rooms within the main house which have air conditioning. There are seven lake view rooms, at the moment three of these are tented and four are luxury gazebos made out of rustic local materials on stilts. Two of the gazebos rooms sleep 5 so are suitable for families. The tented rooms will gradually be replaced by gazebos.

The main building has a large airy restaurant and bar area with an excellent chef providing food from a varied menu and using plenty of local produce. There is also a deck platform on the beach area overlooking the lake. A swimming pool in the well kept gardens provides a great place to relax and cool off.

As the lodge is set in a small forest reserve, the birdwatching in the area is excellent and some wildlife that can be found here include baboons, genets, hyrax and monitor lizards. Relaxing is the perfect thing to do here but if you want to be more active the lodge can arrange boat trips to local islands, snorkelling, canoe trips and guided forest walks.
