Hiking, site seeing. Ideal stop over point on the way through the border.

Sani Top Chalet offers accommodation at the top of the Sani Pass overlooking the foothills of Natal from the Mountain Kingdom of Lesotho. Set right on top of the Sani Pass - a snaking mountainous road only accessible via 4x4.

Sani Top Chalet is home to the highest pub in Africa (2874m above sea level), as well as breathtakingly beautiful views of the surrounding landscape.

The Chalet offers comfortable accommodation in a unique adventure stopover. Four detached rondavels with double beds, en-suite bathrooms and fireplaces offer cosy luxury in this chilly climate. In the main building there are also rooms with double beds and bunks and shared ablutions, ideal for families or groups of friends. Enjoy a hearty meal around glowing fire in the pub.

Take in the panoramic views of Africa and Lesotho.
