Activities

Game drives in Bhandhvgarh National Park.

Tree House Hideaway has 5 exclusive tree house rooms spread out over 21 acres of jungle at the edge of Bhandhvgarh National Park. The tree houses have been constructed using local craftsmanship and materials to blend into the environment, but are equipped with modern facilities including air-conditioning and 24 hour hot water. Each tree house also features an open air shower and private balcony overlooking the tiger reserve. There is a central dining hall and bar built around a large Mahua tree, and hides set up around a water hole that often attracts wild animals.
