The main attraction of this area is the beautiful scenery of the beaches, foreshore and mountains and guests have a variety of ways in which to explore this. Water-based activities include swimming, canoeing, sailing and whale watching (seasonal). Inland there are hiking trails and a number of golf courses. The famous Knysna Heads are a short drive away. The area has a choice of excellent restaurants and shops.

The lodge itself has an impressive range of services and facilities. Guests can relax in the lounge or bar, take a stroll in the gardens or a swim in the pool. Maybe treat yourself to a massage, sauna or jacuzzi or explore the games room. The lodge serves a full breakfast each morning, setting guests up well for the day ahead.
