Pemba Beach Hotel enjoys a beach front setting on Pemba Island, gateway to the Quirimbas Archipelago and Niassa National Reserve. The hotel has some 100 guest rooms, all of which have balconies and are either fully or partially sea-facing. All have ensuite bath/shower rooms and are air conditioned and equipped with mini bar, TV, telephone and tea and coffee making facilities.

The hotel has beautiful landscaped gardens and an inviting infinity pool offering respite from the heat of the day. The Quirimbas Restaurant serves international and local cuisine and specialises in fresh local seafood, which can be served inside or al fresco on the terrace. The Niassa Bar is the perfect place to unwind and socialise after dinner. Other facilities include a gym, sanctuary spa offering a range of treatments, internet access, shops and boutiques.

There are many water-based activities including diving, snorkelling, kayaking, sailing, waterskiing and sunset cruises. Fishing is also offered. The hotel has a tennis court for more active guests.
