Arusha Safari Lodge (previously known as Safari Spa) is a wonderful old private residence converted to a lodge in huge gardens. This is a luxury haven with only 7 cottages, all very spacious with lovely views. The gardens have spectacular views of both Mt Kilimanjaro and Mt Meru. There is a summer house for afternoon tea and sundown drinks and a large pool.

The lodge goes to great lengths to ensure all guests are personally taken care of. All cottages are privately set with views of the swimming pool and lush gardens and furnished with Zanzibar beds. Facilities include a tennis court, a fitness centre with a fully equipped gym. A jacuzzi, sauna, steam room and tropical pool provide pampering at its very best.

Bathrooms have both bath and shower, wash hand basin, separate toilet, towels, soap, bottled water. The rooms have mosquito nets and ceiling fans. There is a dining room and lounge, breakfast is usually served by the pool.

There is a fully equipped gym with 18 machines for those in training for climbs and pampering and massages for those just back! The lodge has gorgeous views of both Meru and Kilimanjaro set in lovely tropical gardens which attract many colourful birds.

For those with equine interests there is a polo field and horse stables to be rented out.
