Your hosts, Richard and Mouse Poynton and their team, will give you a warm welcome to their splendid country house retreat, Cleopatra Mountain Farmhouse. Set in the Kamberg valley near Giant's Castle in the stunning Drakensberg Mountains, this is an ideal base from which to explore this fascinating area. There are walking trails in the 500 acres of grounds plus more opportunities for walking and hiking in the Highmoor Nature Reserve, adjacent to the farmhouse. Game seen here includes eland, reedbuck and jackal and the birdlife is prolific. Horse riding is available nearby for both experienced and inexperienced riders. Other activities include swimming, rock climbing, fishing and helicopter rides to Giant's Castle. Various excursions and day trips can be arranged, including to see Bushman rock art, to the Sani Pass and to a Crane Rehabilitation Centre.

After all the activity and fresh air guests will have built up a hearty appetite, so will fully appreciate the magnificent 6-course dinner, based on fresh local ingredients and the finest produce. The food is complemented by fine wine from Cleopatra's extensive wine cellar. Food is Richard's passion and guests are sure to enjoy the whole culinary experience at Cleopatra.

Accommodation is in comfortable rooms, suites and cottages, all with ensuite bathrooms. Each room is tastefully furnished and designed to be cosy in winter and light and airy in summer. All rooms have views of the surrounding mountains, streams and waterfalls. There is a comfortable guest lounge, complete with log fire in winter, to enhance the country house experience.
