Activities Arranged independently from the riad

Riad Djemanna is an attractive small riad in the heart of Marrakech's medina on a quiet street just a few minutes walk from the Djemmaa el Fna, the city's main square. Restored in 2006, this riad provides simply but well furnished accommodation in 6 rooms including 2 suites, each decorated in different colours. All rooms are air conditioned and have ensuite bathroom and open on to the pretty central courtyard with its inviting plunge pool, which is floodlit at night.

The roof terrace is an ideal place to relax above the hustle and bustle of the souks and enjoy views of the city. On a clear day the Atlas Mountains can also be seen. Breakfast is served here or in the dining room, and can be a cooked meal or a lighter continental affair. The riad also serves dinner, tasty Moroccan cuisine such as tagines and couscous. There is a sitting area off the courtyard with comfortable sofas and chairs, a stereo system and TV. Additional facilities include a hammam, a range of beauty treatments and massage facilities. The riad also has internet access. The staff are friendly and attentive and will ensure a relaxed and happy stay. All in all this is a perfect base for exploring the souks, mosques, palaces and museums of Marrakech.
