Situation Dead Sea

Activities Swimming; hiking; jogging; following nature trails; tennis; spa treatments

Jordan Valley Marriott Resort and Spa is a lavish resort hotel located in a picturesque setting between the mountains and the Dead Sea, not far from Mount Nebo and the Jordan River. All 250 guest rooms and suites are well equipped with individual climate control, minibar, safe, telephone, internet access (payable locally) and ensuite bathroom. Some rooms also have a private terrace.

Leisure time is well catered for with no less than 3 outdoor swimming pools, an indoor pool, whirlpools, a fitness centre, tennis courts, sauna, solarium and spa offering a range of invigorating treatments using natural elements from the Dead Sea. The hotel also has access to a Dead Sea beach. Other activities popular with guests are hiking, jogging and following local nature trails.

There is a huge choice when it comes to dining with options including Italian, American, steakhouse and barbecue specialities. There are also several bars including the pool bar. Evening entertainment is sometimes offered. There is a daily breakfast buffet served in the Mosaic Restaurant. Other hotel facilities include a newsstand/giftshop, laundry service and 24 hour room service.
