The kasbah sleeps up to 40 people in a range of rooms and suites.

All rooms at Kasbah Agafay have been renovated in authentic kasbah-style and have modern amenities and luxuries. 16 individually decorated rooms are situated around 6 courtyards with fountains, tiled decoration, seating areas and retractable roofs. The organic vegetable and herb garden supplies much of the fresh produce. Guests can take part in the outdoor cookery school and learn some of the skills and techniques associated with Moroccan cuisine.

Guests are free to relax and enjoy the peaceful ambience of valley setting, but there are also various activities on offer. Take a dip in the heated outdoor pool, play a game of tennis or simply stroll through the landscaped gardens. For those wishing to explore the area, the kasbah has a nearby ranch and can arrange horse rides into the Agafay valley and the Atlas foothills.
