Ocean Villas is a small hotel on the edge of the town of Grand Baie with a selection of accommodation to suit couples, families and larger groups looking for a relaxing beach holiday. The hotel is set in tropical gardens which lead to a private beach, with sun loungers and parasols.

All rooms are equipped with air conditioning, 'phone, TV, internet access and ensuite bathrooms. The new garden and beach villas are perfect for couples, with 1 bedroom and modern bathroom, terrace and rattan armchairs. They are set in the garden and on the beach. For families and larger groups, the 3 and 4 bedroom bungalows (actually 2 and 3 storey buildings) are ideal, with spacious rooms. Most bedrooms have balconies with garden views. The bungalows also have kitchens for those who want to cook their own meals, although all meals can be taken in the hotel restaurant or in local restaurants in Grand Baie. Guests are also welcome to use the BBQ facilities. There is an exclusive villa, Le Nid d'Amour, set on the beach, perfect for honeymooners.

A generous buffet breakfast is served each morning, comprising cereals, pastries, fruit, pancakes, yoghurt and eggs, bacon and sausages. The restaurant is also open for snacks and lights meals and evening dinners. Candle lit dinners on the beach or in the gardens can be arranged. There is a separate bar, serving a selection of drinks and cocktails.

There is a fresh water swimming pool and a paddling pool, as well as the ocean for guests to enjoy. The sea is only a minute's walk from all rooms, through the gardens. The hotel also offers table tennis, bowls and beach volleyball. Divijg can be arranged at a nearby dive school and there is a gym guests can use

locally (at own expense). The hotel offers free waterskiing, banana rides and snorkelling for guests 3 times a week. Bicycles can be hired and are a good way to explore the island. Grand Baie is just over a mile away and can be reached on foot or by bus (these operate about every 10 minutes during the day). Grand Baie has a good selection of shops, restaurants, bars plus banks and ATMs. The hotel can also arrange a boat shuttle to Pereybere Beach via Grand Baie.
