

Classic Camping

Highlights

- Classic camp locations always reflect where the best seasonal game is.
- A real bush experience without compromising on comfort.
- Classic camps are always small and offer a real personal service.
- Private sites are used.

Situation

Classic camps are set up in the Ngorongoro Conservation area, Serengeti National Park and Tarangire National Park. The private camp sites are strategically situated to shadow seasonal game migrations, while affording, where possible, splendid views of the surrounding countryside.

Activities

Game drives; bush walks (in some places); sundowners; bush meals.

Luxury classic camping is the ultimate safari experience. This rare privilege, enjoyed in comfort and style, harks back to a time when there were no lodges, and intrepid explorers brought their creature comforts with them deep into the dark continent.

Classic camps are fully set up and prepared in advance of our guests arrival in specially chosen, remote and exclusive locations. Sites are strategically situated to shadow seasonal game migrations, while affording, where possible, splendid views of the surrounding countryside. Classic camping is available in the Serengeti, Taranagire and Ngorongoro regions.

The tents are spacious insect-proof Larsen type tents, renowned for being the largest and best accommodation tents in use for luxury mobile camping safaris today. These tents are tastefully furnished with full sized beds and 6" mattresses, luggage rack, traditional wood and canvas chairs, plus a safari table useful for writing up the days events. Facilities include a large front verandah and a rear en suite bathroom that has a shower, toilet, table and hand wash basin.

Fresh linen and towels are provided, together with a full laundry service. A selection of alcoholic and non-alcoholic beverages and wines are available (pay direct) and you are welcomed by friendly safari crew, who will cater for your every need from arrival to departure. Meals are served in the dining tent and there is

a campfire where guests can gather in the evenings.
