Boating, Mokoros (canoes), day and night game drives.

A rustic lodge in a private concession to the north of the Okavango ideal for both land and water based activities. The shallow channels and floodplains invite tranquil Mokoro trips in the clear Delta waters, while the larger islands are home to a wide variety of game, viewed from the vantage of open 4x4 game drive vehicles.

There are ten luxurious chalets on raised decks with views over the water and a large central area with a lounge, dining area and pool.

As it is situated in the north western seasonal floodplains of the Okavango Delta, in the private concession, guests can enjoy night game drives and walking safaris. This not only offers a big game experience but also the sought after mokoro activity - almost all year round. The concession area is 12 000 hectares of prime game driving area. The animals seen in this area are varied making it an ideal first time safari or one main stop safari option.
