High season: £350

Bar consumption on board

These prices are subject to change

With an elegant design and 1,000 square metres of sail, Mary Anne is a beautiful vessel 216 feet in length. She combines the elegance of a tall ship with the comforts of a modern motor yacht. The 3 masted barquentine was launched in 1997 and is equipped with three decks of air-conditioned cabins, accommodating a maximum of 16 passengers, so retains a small group atmosphere. All cabins have private bathroom.

The yacht has ample social areas including the elegant wood-panelled salon, a cosy bar and a pleasant dining room. There is also a library and an entertainment centre. Most passengers opt to spend much of their sailing time on deck, watching the ever changing scenery. There is an open air seating and dining area on the sundeck. There are kayaks for passenger use. Mary Anne has on-board freshwater maker to provide fresh drinking water. The friendly crew will go out of their way to make this a memorable voyage in the Galapagos Islands.
